

Annex No 3 to the regulation of NW Polish Cup, European Championship and Polish
Championship 2021

ORGANISATION AND SAFETY IN THE COMPETITION AREA, CHANGING ROOM, DEPOSIT

1. The competition route is marked with a warning tape and special markers, including distance indicators.
2. The plan of the route and the list of participants is available at the Competition Office.
3. On the borderline of different surfaces on the route the 50 meters' long zones are arranged where a participant can change the pole tips. In these zones the arm movement technique of the competition participants is not assessed by the referees.
4. Water is provided in refreshment points on the route. If possible, the organiser ensures availability of other energy products there such as chocolate.
5. During the competition event the organiser provides its participants with a possibility to use a deposit, upon presentation of the participant's starter number.
6. The organiser is not liable for the belongings a participant deposits.
7. The deposit is collected upon presentation of the starter number. In the case when the starter number is lost by a participant, the organiser is free from the responsibility for handing the deposit to another person.
8. The organiser is not liable for unattended belongings.
9. Before and after the competition its participants are provided with the possibility to use a permanent or temporary changing room.
